NMR NEWS

Dr. Pohost has appointed Dr. J. Steven Smith as Executive Administrator of the Center for Nuclear Magnetic Resonance and Development. The Center for Nuclear Magnetic Resonance and Development has two components. The Cardiovascular NMR facility, located at 8th Court South, and the Center for Nuclear Imaging Research to be constructed with the grant of 12.3 million recently awarded by the Department of Energy. Dr. Sigmund Silber will directly oversee the clinical and scientific research programs at the CV NMR facility and Dr. William Evanochko will continue to direct the technical program. Effective May 15th, Mary Lou Camp will join the CV NMR staff as Administrative Liaison.
