

## The Interventional Gap between Europe and the USA - Devices Available in Germany but not the USA: p-c-i Live in Partnership with TCT

Monday October 28<sup>th</sup> 2013 from 6 PM – 8 PM

**Moderators: Sigmund Silber (Munich, Germany), Hans R. Figulla (Jena, Germany)**

Discussants: All in the entire 2 hour period

10' **Setting the stage: FDA Approval vs. CE Mark**  
**Lecturer: Sigmund Silber (Munich, Germany)**

### Session I. TAVR

**Moderator: Markus Kasel (Munich, Germany)**

10' Newer Generation Devices for Valve Implantation: Differentiating features  
 Hans R. Figulla (Jena, Germany)

10' Case #1. TAVR with a next generation device: Multiple repositioning and less paravalvular aortic regurgitation?  
 Case presenter: Hans R. Figulla (Jena, Germany)

5' Do I need newer generation TAVR devices in Germany?  
 Jochen Schofer (Hamburg, Germany)

5' Do I need newer generation TAVR devices in the USA?  
 Martin Leon (New York), USA

5' Discussion with Audience Q&A

### Session II. Bioresorbable Scaffolds

**Moderator: Christian Hengstenberg (Munich, Germany)**

10' Bioresorbable Scaffolds from Metal and Polymers: Landscape and clinical experiences  
 Jochen Wöhrle (Ulm Germany)

10' Case #2: A patient who might benefit more from a bioresorbable scaffold than a metallic DES  
 Case Presenter: Sigmund Silber (Munich, Germany)

5' Do I really need bioresorbable scaffolds in Germany?  
 Discussant: Bernhard Witzenbichler (Dachau, Germany)

5' Do I really need bioresorbable scaffolds in the USA?  
Discussant: Gregg Stone (New York), USA

5' Discussion with Audience Q&A

### Session III. LAA Closure Devices

**Moderator: Jochen Schofer (Hamburg, Germany)**

10' Next generation Devices for Left Atrial Appendage Occlusion  
Horst Sievert (Frankfurt/Main, Germany)

10' Case #3: LAA closure with a novel device  
Case Presenter: Wolfgang Bocksch (Tübingen, Germany)

5' Are novel LAA closure devices (beyond Watchman) needed in Germany?  
Discussant: Gerald Werner (Darmstadt, Germany)

5' Are novel LAA closure devices (beyond Watchman) needed in the USA?  
Discussant: Ramon Quesada (Miami, Florida, USA)

5' Discussion with Audience Q&A

5' **Take Home Messages**  
**Sigmund Silber (Munich, Germany)**
